Please understand that registering your child at AGE means that she/he has secured a spot on the roster; a spot that was not offered to other students on our waiting list. Accordingly, please make note of the following:

1. Registration fees are not refundable at all times.
2. The first tuition payment & the book fees are non-refundable after June 1st, 2018, even in case you decide not to send your child in September.
3. If your child leaves the school for any reason after the school year starts, the regular rate will be applied for the time spent in the school (full month fees after the 5th).
4. All text books are AGE property and must be returned regardless when the student leaves the school.
